
CRAVEN MOUNTAINEERING CLUB

Annual Walking Meets Report 2022-23

(Andy Barton)

Since firming up our arrangement with the Yorkshire Mountaineering Club (YMC) last year we have shared a full programme of monthly Sunday walking meets in the Yorkshire Dales, Moors and Peak District with the majority of these being coordinated by members of the YMC. Most walks attract between a dozen and twenty attendees, three or four of whom will be CMC members. Next season CMC members have again agreed to coordinate a few of these walks.

Weekend hut meets have also seen a mix of climbing and walking activities take place.
